YOUR MONEY BACK IF YOU WANT IT

Leading Druggists Will Refund Pur-
chase Price of Dodson's Liver
Tone if You're Dissatisfied.

The Red Cross Pharmacy may not
be willing to guarantee the safety
and reliability of calomel for consti-
pation and sluggish liver, but this
store will and does stand back of
Dodson's Liver Tone with an uncon-
ditional guaranty to refund the full
purchase price (50c), instantly, with-
out question, if you are not satisfied
in every way with Liver Tone and
its results.

If you take calomel, perhaps you
will seem to get temporary relief, but
it often happens that the after-effects
are at least unpleasant and some-
times dangerous. Calomel in large
doses is a poison and actually deadly
to some—perhaps to you—and hence
its use means taking chances.

With Dodson's Liver Tone you are
always safe. Its reliability is so cer-
tain, that it can be sold with the
money-back guaranty. It is a vege-
table liquid, pleasant to take, and
it cannot harm. It clears up the
dulled and aching head and cleans
out the clogged system in what many
have found to be a wonderful way.
Dodson's Liver Tone will do for you
what it has done for thousands—and
you run no risk in trying it. Ask
the Red Cross Pharmacy about Dod-
son's and the guaranty.

Artistic Work.

Rapid Execution.

Sometimes I'm slightly worried and my wife just strokes my hair,
And its wonderful how soothing is her magic then and there,
My brain though worketh rapidly and conscience wakes the thought,
That somehow my top story doesn't look quite as it ought.
Down then to town I hit me off on energetic feet,
And place myself where Davis calls "My Old Familiar Seat."
Vain boasting does not go with me but talk of change of scene
Its marvelous how changed one looks when to Davis you have been,
Since he knows the art Tonsorial and once you step outside,
You'll feel so good you'll take your girl her favorite buggy ride.
